

## Community Workshop Feedback

**PROJECT:** Glenview Public Library

**PSAD Project No.** 50002241  
**Date of Workshop:** 3/22/2007

No.	Dominant Issues Cited by Attendees	Votes Received
1.	"Green" building design.	20
2.	Building Orientation: Alignment with Glenview Road.	12
3.	Coffee shop demand. (Consider other local businesses. Should building element be less prominent?)	7
4.	Appearance of south side of building needs: (to be more attractive, less broken up, more harmonious with rest of building, lack of detail)	7
5.	Overall design doesn't convey appropriate appearance.	6
6.	Maximize basement area for parking.	5
7.	Parking lot circulation.	5
8.	Noise issues between entry and children's area.	5
9.	Remove old library to allow more design flexibility.	5
10.	Parking lot located next to residential area.	4
11.	Adequate used book sale space. (receiving, sorting, storage)	4
12.	Convenience (or lack thereof) of children's area on north side.	4
13.	Selling of lot south of Glenview Road.	4
14.	Closing of Prairie Street north of the library.	3
15.	Expandability to 3 stories.	3
16.	Quantity of glass vs. energy efficiency.	3
17.	Community need for meeting rooms. (How many? Has police station met community need?)	2
18.	Capacity - should house 500,000 volumes.	2
19.	Provide a more modern design option for future discussion.	2
20.	More landscaping. (note: landscape plan not yet developed)	2
21.	Increased traffic on Washington Street.	1
22.	Public parking during construction.	1
23.	Safety of terrace above children's area. (make enclosed rather than open air)	1
24.	Growth potential beyond 15 years.	1
25.	Under utilized land space.	1
26.	Check out desk should be able to service drive up window.	1
27.	Maintenance costs.	1
28.	More defined entrance.	1

29.	Keep old library building for office space, other uses.	1
30.	Building too close to Lehigh / Glenview Rd.	1
31.	Provide building step backs from street to reduce height.	1
32.	Patron drop-off on east side of library.	0
33.	Architecture should reflect Glenview.	0
34.	Park District HQ converted to children's library or daycare.	0
35.	Washington Street to become one-way (north) with diagonal parking.	0
36.	Entry/drop off should not be adjacent to switching station.	0
37.	Access for trucks. (width, bike racks)	0
38.	Bidding process	0
39.	Prefer mansard roofs	0
