

Focus Group Feedback

PROJECT: Glenview Public Library

PSAD Project No. 50002241
Date of Focus Group Session: 4/4/2007

No.	Dominant Issues Cited by Attendees	
	Building Exterior / Site Development	
1	Drop-off concern along Glenview Rd. - Desire to discourage this activity	
2	AT&T truck interface	
3	Under ground parkig safety	
4	Building orientation	
5	Strengthening of pedestrian access	
6	Concern over internal circulation	
7	Concern over building volume (Articulation of "gables")	
	Building Interior	
1	Café: Justification	
2	Location of Youth Services	
3	High School Area	
4	Barrier between Youth Services and Reader's Services	
5	Youth Services in lower level of the building	
6	Internal barriers should be flexible and provide appropriate noise isolation	
7	Consistency of the Interior and Exterior design themes (Front door / fireplace)
