

Senior Residence Facilities Book Discussion Groups

 Does your senior residence facility host a book discussion group? Do you find it difficult to get enough copies of the book for every group member? If so, the Glenview Public Library can help.

Through the Outreach Librarian, your facility may request multiple copies of book discussion books each month.

Titles may be selected from two special collections of books:

- **Book Club in a Bag.** A selection of 30 kits that contain 12 copies of a title plus discussion guides.
- **Book Discussion Collection.** From fiction to nonfiction, literary fiction to mystery, this extensive collection contains multiple copies of over 200 titles specially selected for book groups.

To participate in this book discussion service, your facility must have a valid Glenview Public Library card. All materials must be checked out to the institution card. Materials will be checked out for six weeks with no renewals. Overdue fines, fees and bills associated with lost and/or damaged materials are the responsibility of the facility.

Title selections and pick up schedule must be prearranged with the Outreach Librarian in advance. If a large print or audiobook is needed, it may be requested.

To register your facility for this service, contact  Janet McIntyre, Outreach Librarian at 847-729-7500 x 2612.
