Sign Up Now

### Step 1: Create Your Account

- Download the **Hoopla Digital** app from your device's app store, or go to [hoopladigital.com](http://hoopladigital.com) on your computer.
- On a computer, click the **Log In** button, then click the **Sign Up Now** button. On a tablet or smartphone, tap the **Sign Up** button.
- Select Glenview Public Library and follow the instructions to create your account. You'll need an email address and your library card number, and to create a password.
- Once your account has been created, sign in with your email address and password.

### Step 2: Searching for and Borrowing Items

- On the home screen, browse titles or search for a specific item.
- Click or tap on a title image, then click or tap **Borrow** to check out the item. You have immediate access to all items—no holds or waiting for someone to return a title!
- On your computer, you may be prompted to install the Widevine plugin for movies or TV shows. Follow the instructions to install Widevine.
- Click or tap the **Play** or **Read** button to access the title on your computer or iOS device. Tap the title image to play on Android devices.
- To download content on iOS devices, tap the cloud icon or the download button. On Android devices, tap the download button.
- Access all of your checked out items by clicking on the **hoopla** logo in the upper left corner on your computer, or the bars in the upper left corner on a mobile device.
