## Board Game Description

Players: 2-7 // Time: 45 Min

Age: 13+ // Weight: 1.68

The cards are colorful depictions of beans in various descriptive poses, and the object is to make coins by planting fields (sets) of these beans and then harvesting them. To help players match their cards up, the game features extensive trading and deal making. One of the most unique features of the game is that you cannot rearrange your hand, as you need to play the cards in the order that you draw them.

*So, get this, you're a bean farmer...wait! Don't go yet!  
It's actually really fun :)*
