Board Game Description

Players: 2-4 // Time: 30 Min

Age: 10+ // Weight: 1.84

In Splendor, you take on the role of a rich merchant during the Renaissance. You will use your resources to acquire mines, transportation methods, and artisans who will allow you to turn raw gems into beautiful jewels. During the game, players collect gem and gold tokens, which are used to purchase development cards that provide prestige points and/or bonuses. With enough bonuses collected, the player may receive a visit from a noble, providing more prestige. The player with the most prestige wins!

*Outmaneuver your opponents
and become the most prestig-
ious gem merchant in the land!*
