Board Game Description

Players: 2-6 // Time: 5-30 Min

Age: 8+ // Weight: 1.39

Fluxx is a card game in which the cards themselves determine the current rules of the game. At the start of the game, each player holds three cards and on a turn a player draws one card, then plays one card. By playing cards, you can put new rules into play that change numerous aspects of the game: how many cards to draw or play, how many cards you can hold in hand or keep on the table in front of you, and (most importantly) how to win the game.

*Are you tired of games that always tell you how to play and win?
Well, in Fluxx **you** make the rules!*
